Visiting Rotes See Glades At Work

Pahokee Rotarians had as guests at their Thursday luncheon meeting 35 members of the Boynton Beach Rotary Club, who were present as a group.

Following the luncheon, the visitors were taken on a guided tour of points of interest in the Glades area. First, they visited the USDA Sugar Cane Field Station at Canal Point, where Dr. Leo P. Hebert, station superintendent, explained the work the staff of research scientists in their unceasing efforts to breed new improved varieties of sugar cane attain better control of sugar cane diseases, insect pests, and the like. After viewing beautiful Lake Okeechobee from the Herbert Hoover Dike, the group went to the Glades Sugar House of the Sugar Cane Growers Cooperative of Florida on Airport Road north of Belle Glade, where Bob Lee explained the operations in the processing of sugar cane as he showed them through the big mill.

From the sugar mill they traveled deep into the mucklands to see Pascal celery harvest and packed on a "mule train" in one of the fields of Sam Senter Farms. They then followed the packed celery to the Sam Senter Farms pre-cooler, where it is chilled thoroughly before shipped to northern markets.

They also saw how radishes are harvested, washed and packed for market, viewed a cane field burning prior to being cut by harvesters, and other interesting sights typical of the Glades area of Palm Beach County. Each Boynton Beach Rotarian was presented with literature relating to Pahokee and the Glades area, through the courtesy of the Pahokee Chamber of Commerce.

Revival Will End Methodist Tonite

The revival at the First Methodist church in Pahokee will come to a close tonight (Friday). Rev. Robert A. Shelley of Alachua, Fla., and a former pastor of the Canal Point Methodist church, has been bringing two messages daily and unusually large crowds have been in attendance.

The morning services have been held daily at 10 o'clock and the evening service has been held at 7:45 o'clock. Rev. W. E. Dorrell of Fort Lauderdale has been in charge of the special music for the occasion.

Rev. John A. Briley, pastor of the church, extends a cordial invitation to one and all to attend the final service tonight. He also thanks all who were responsible for making the meetings a success.

Rufus Griffin Is Retired By County

Rufus Griffin, a county employee in the Glades highway district since 1944, was commended Monday for his long and faithful service to the people of Palm Beach County.

Griffin is retiring after 21 years of service and was on hand at the commission meeting to receive his resolution of commendation.

Full Integration For P. B. C. Schools

Palm Beach county schools shall be operated "without regard to race, color, religion or national origin." That is the policy adopted by the Board of Public Instruction of Palm Beach County and will be completed by September, 1966.

According to a statement on desegregation issued by the county board the change will be complete throughout the school district, and at all levels—grades 1-12, junior college and adult education.

Instead of having school buses for whites and Negroes, as is the case at present, there will be only one bus system, according to the ruling.

Personnel assignment at all levels and to all positions shall be without regard to race, color, religion or national origin.

To date in Palm Beach county eleven schools have been desegregated.

Mac And Agnes Are Honored At Ball

It was King Mac and Queen Agnes at the Heart Ball held Saturday night at the new Holiday Inn in Belle Glade. Mr. and Mrs. L. V. McClelland of Canal Point, who have both undergone serious heart surgery, were honored by the large crowd in attendance.

The McClellands—Mac and Agnes—have full-time employment in Belle Glade and in Pahokee.

Although the surgeon who operated on the couple in Chicago almost one year apart could not attend, he sent a telegram of congratulations for "setting a pattern to show the world heart patients may live a normal life."

McClelland is the veterans service officer for the area. He maintains offices in Belle Glade and in Pahokee, visiting each on alternate days.

Mrs. McClelland is secretary to Associate County Agent John H. Causey at his office in the Glades Office Building.

Ricky Parker, Joey Alderman and Miss Brenda Alderman were recent visitors in Lakeland where they visited Florida Southern College.

Canal Point Hears Band At PTA Meet

At a meeting of the executive board of the Canal Point Parent-Teacher Association, held at the school Monday night immediately preceding the March meeting with President Stanley L. Hooks presiding, a nominating committee, composed of Mrs. Brooks Henderson, chairman, Mrs. W. E. Blackwell, Mrs. Stanley L. Hooks and Rev. James Baugher, was appointed to recommend a new slate of officers for the 1965-66 school year and report at the April meeting.

Rev. and Mrs. James Baugher were named delegates to represent the Canal Point PTA at the District Two PTA Conference at the Port St. Lucie Country Club Monday, March 15.

The program featured a concert by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampl, following which PTA presented the band with a gift of cash in appreciation of its services.

President Hooks was in charge of the opening flag ceremony and welcomed Bandmaster Lampl, members of the PHS Band and other guests. Rev. James W. Baugher gave the devotionals. The monthly attendance award was won by Mrs. Mildred Larriek's Third Grade Room.

Refreshments served in the cafeteria following the concert included punch made by room mothers of Mrs. Alma Burr's First Grade Room and cup cakes made by several other room mothers.

Cattlemen Name New Set Officers

The following officers were elected at a meeting of the Board of Directors of the Palm Beach County Cattlemen's Association to serve for 1965:

President, K. D. Eaton, Pompano Beach; Vice-President, Scott L. French, Loxahatchee; Secretary, Dan Smith, Jr., Lake Worth; Treasurer, J. W. Repper, Canal Point; State Director, Bruce Bittig, Canal Point; Alt. State Director, Charles Harman, South Bay; Director, James M. Herring, Belle Glade.

The retiring President was Charles Harman, of South Bay.

HOME FROM ALASKA

Capt. and Mrs. John Lester Holmes, Jr., and daughters are the guests of his father, Lester Holmes and Mrs. Holmes, while on leave from the Army. Capt. and Mrs. Holmes have recently returned from Fairbanks, Alaska, and will report to Ft. Benning, Ga., for a five month training course after which he will be stationed at Fort Jackson, Columbia, S. C.

Bill Moss, Jr., King Sweetheart Ball

In last week's paper there was a story about Larry Moss, Jr., being crowned King of the Intermediate Sweetheart Ball at the First Baptist Church in Pahokee. It wasn't Larry who was crowned but his brother Bill Moss, Jr. Miss Beverly Wilkinson was crowned Queen. So, now Queen Beverly has her proper King.

Pahokee PTA Will Hear Band Concert

The Pahokee Parent-Teacher Association invites the public to attend the regular meeting Monday, March 8, at 8 p. m. and enjoy a program of music, featuring a concert by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampl.

Numbers by the band will include "Marvel March"—Fillmore, "Good Daughters Overture"—Piccini-Osterling, "Joshua"—Yoder, "Syncopated"—Leroy, "Ankerlode"—Leroy, "Fancy Pants"—Cramer, "Scandinavian Fantasy"—Osterling, "All Hands on Deck"—Davenport, and "Star-Spangled Banner"—Fillmore arrangement.

President Richard C. Lane will preside at the brief business session preceding the concert.

Rainbow Girls Will Aid Fund Raising

Pahokee Rainbow Girls will make house-to-house calls in the Pahokee-Canal Point area Thursday, March 4, from 7 to 8:30 p. m., to collect contributions in the annual Leukemia Fund-raising Drive. Residents willing to contribute to this cause are asked to have their porch or entrance lights on during the specified hours.

Plans for the drive were completed at the meeting of Pahokee Assembly 16 in the Masonic Hall Monday night with Gail Reeves, associate advisor, presiding in the absence of Worthy Advisor Elizabeth Gist. Last year Pahokee Rainbow Girls collected more than \$300 in the Leukemia Drive.

Chairman Mary Lee Adams announced the old-fashioned box supper which Pahokee Assembly 16 is sponsoring in the Community Building at the Glades Park, Canal Point, Saturday, March 13, will start at 6:30 p. m., with all boxes to be in the building by 6 p. m. Free coffee and tea for the supper will be furnished by the Rainbow Girls.

Present at the meeting were Mrs. Marie Hughes, mother advisor, and several members of the Advisory Board.

Deal Effective On Monday, March 1st

In a deal consummated and effective Monday of this week Shirley Brothers, Inc., became a part of Rinker Materials, Inc., of West Palm Beach. Announcement of the sale was made by Claude L. Shirley, Sr., and M. E. Rinker, Sr., head of the Rinker Materials corporation.

Shirley Bros. Inc., was incorporated in 1947 and has experienced a steady and healthy growth from its inception. Growth of the concern has been in keeping with the economy of the Glades section of Palm Beach county and a few short years ago it became necessary that the second red-mix plant be constructed at Pahokee. One red-mix plant has been in operation at Belle Glade for many years along with a concrete block plant.

The 39-year-old Rinker concern already comprises 22 ready mix plants and six concrete block plants spanning more than 200 miles of Florida's east coast from Dade county northward to Titusville. Mr. Rinker announced purchase of Owens Bros. Concrete in New Smyrna Beach at the same time purchase was made of the local company.

Commenting upon the sale of his concern to Rinker, Mr. Shirley had the following comment: "I am optimistic over the potential for the plants under the new ownership. They will be operated as the Glades Division of Rinker Materials. I recommend the Rinker concern highly to the people of the Glades and hope the fine folks here will continue their support and good will in the future as they have in the past."

An official announcement from the new concern was to the effect that personnel will continue as it was under the Shirley management with the exception of Mr. Shirley, who will retire. Claude L. Shirley, Jr., (Lee) will be in charge of the Glades operation under the new set-up.

Beans \$4.50 With Celery At \$3.25

Scarcity of vegetables in the Lake Region always makes the price jump. That's what has happened this week with beans. There aren't many and the price is \$4.50 per bushel. The price was that on Monday of this week. What it will be today or tomorrow is a matter of conjecture.

The demand for celery has strengthened some and the price has climbed accordingly. Official circles this week stated that the going price for celery is from \$3.00 to \$3.50 with the supply of first grade celery limited.

Corn is another commodity in short supply this week and the price is holding at \$4.00.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Palm Beach County Commissioners learned this week that construction of the new terminal complex at International Airport and associated improvements will cost an estimated 4.5 million.

Federal aid funds, according to County Engineer George Frost, will provide about \$600,000 of that

amount leaving the county to float a bond issue just short of \$4 million to complete the financing.

The commission approved the preliminary figures given by Frost and also voted approval for a land use plan for a 640 acre tract located next to the airport.

The Federal Aviation Authority, according to Commissioner E. F. Van Kessel, has agreed to release the acreage for sale with funds to be used for airport improvement.

Money from the sale of this tract will be used to help finance construction of the new terminal complex.

Two recreation projects in the Everglades were being considered this week by the county commission.

In one action, the commission voted to ask the Internal Improvement Fund trustees for title to about 50 acres of land adjacent to the Miami Canal at Lake Harbor. The land will be developed on a long range plan for recreational purposes, according to County Commissioner R. W. Weaver who told the commission volunteer labor and equipment are ready to start to work in the area right now.

In another action, a request from the Town of South Bay for county help in developing a recreational area in that community, was referred to the county engineer for study and report back to the board.

Altar Society Met At Modecki Home

The St. Marys Altar Society met at the home of Mrs. Charles Modecki on Feb. 24 at 8 p. m. with Mrs. Modecki presiding. Final plans were made for the Pan American dance, a benefit dance sponsored by St. Philips Altar Society of Belle Glade and St. Marys Altar society in Pahokee.

The dance will be held at the Belle Glade Armory on April 24. Donations will be \$5.00 per couple. Father Fenech joined the group at the close of the business session and urged the members to attend as often as possible the 10 hour devotion beginning Sunday February 28 thru March 2. Hostess for the evening was Mrs. Kenneth Rodriguez who served cake and coffee to the group.

County Board Honors Ben Sundry

The Palm Beach County Commission Monday adopted a resolution honoring the late Ben F. Sundry, former county commissioner from Delray Beach, naming Delray Beach West Road the Ben Sundry Memorial Highway.

Commissioner George Warren, who succeeded Sundry on the board, told this week how the improvement of the highway had started back in 1957 as a cooperative program between city, county and civic organizations.

Ground for start of the long sought improvement was broken recently and work on the road is now well underway, Warren reported.

He said one of the early workers for the project was the then Commissioner Sundry and Warren won the support of the commission for changing the name of the road now known both as Atlantic Ave. and Delray West Road.

CLASSIFIED ADS PAY

Eastern Star, 184, Honors Officials

Mrs. Grace Graham, new worthy matron of Pahokee Chapter 184, Order of Eastern Star, and H. C. (Heinie) Graham, new worthy patron, presided for the first time at the regular meeting of the chapter in the Masonic Temple Thursday night.

Honored at the meeting were Mrs. Eunice Hughes, junior past matron, and Perry Sizemore, past patron, who were escorted to the altar, where they signed the Chapter's Bible, and were presented with gifts. The special program in their honor was presented by Mrs. Velma Hall, with all officers participating.

Introduced were eight past matrons and four past patrons of Chapter 184 present at the meeting.

At the close, refreshments were served by Mrs. Adeline. Written and Mr. and Mrs. Oliver Sheppard.

WMU MEETING

Mrs. Russell Maxson presented the book "Winds of Change" to the Canal Point Baptist WMU Tuesday following a covered dish supper in the fellowship hall of the church. A patriotic theme was carried out in the table decorations in keeping with the book study.

Electric irrigation doesn't cost...it pays!

CREATE YOUR OWN "RAIN" WHEN YOU NEED IT

Electrically-pumped irrigation equipment improves farm yields and profits. Ends drought worries in dry spells... and helps protect crops during cold snaps.

Even in normal weather it pays off during critical periods of growth—the time when plants need extra stimulation in order to thrive and produce the greatest yield. Modern irrigation is just another of the many jobs that Reddy does best on the farm and in the home... quickly and cheaply!

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH

Glades Area Six Of PTA In Joint Meet

Mrs. Esther Walker of South Bay, coordinator of Glades Area Six of Parent-Teacher Associations, presided at the Glades Area Six conference held at Pahokee last week, and Mrs. Stanley Hooks of Canal Point served as secretary.

Dr. Richard C. Lane of Pahokee, John Kinlaw of Belle Glade and Mrs. Stanley Hooks served on a panel in the discussion of the topic, "Projects to Spare; Ideas to Share," with Mrs. Mina Murray of Belle Glade acting as moderator.

Mrs. Mildred Larrick, member of the teaching staff at the Canal Point School, led the opening flag ceremony, and Mrs. Nancy Creech of Belle Glade gave the devotionals.

John Kinlaw, Dr. Richard Laan and Mrs. Esther Walker were named on a special committee to find someone willing to serve as new coordinator of Glades area Six, replacing Mrs. Walker, who has turned in her resignation to the PTA County Council.

At the close of the meeting refreshments were served in the school cafeteria by Mrs. Rhea Cunningham and Mrs. Jackie Cunningham, members of the teaching staff at the Belle Glade Elementary School.

Good & Bad News For County Board

There was good and bad news for the county commission this week concerning moving a Chamber of Commerce headquarters in West Palm Beach.

The building is being moved to make way for new ramps for Flagler Memorial bridge. The right of way agreement was made for moving the structure but appraisals didn't take into consideration preparation of a new site, piling and fill for the site cost \$5,450 and the Chamber wants the county to foot the bill.

The county attempted to get the state road department to pay for the foundations as part of 'the right of way. The state refused.

So the commission voted Monday to put up the money from its secondary right of way funds. They also heard the expenditure would wipe out the right of way fund for the rest of the year.

Meantime a letter from the state bore good tidings—to the effect that plans for the bridge ramp will be ready in April, bids will be taken in May and work may start in June. The ramp project has been in the county's primary road budget for several years.

In other road actions, the commission:

Adopted a resolution asking the state road department to make a section of the Beeline Highway between Military Trail and U. S. No. 1 a part of the primary road system and further asked that construction of the Military Trail to U. S. No. 1 link be put in the state's 1965 budget.

Adopted a resolution putting Streamline Road in the Glades on the county's secondary road maintenance schedule.

How to
collect
pictures
of Presidents
for fun...and
freedom

Each of the seven denominations of Series E Savings Bonds shows a different President of the United States. If you're interested in this kind of art, the seven make a nice collection.

Along with the hobby, Savings Bonds offer such extras as riskless investing, 3 1/2% more money at maturity, and financial freedom for your future.

But there are other kinds of freedom tied in with your purchase of Savings Bonds. Freedom to speak your piece, choose your job, and own your property, to name a few. Every Bond you buy helps our government further the cause of freedom everywhere in the world today.

Why not start collecting U. S. Savings Bonds now? Only \$18.75 each for the George Washington variety, at your bank or on Payroll Savings where you work.

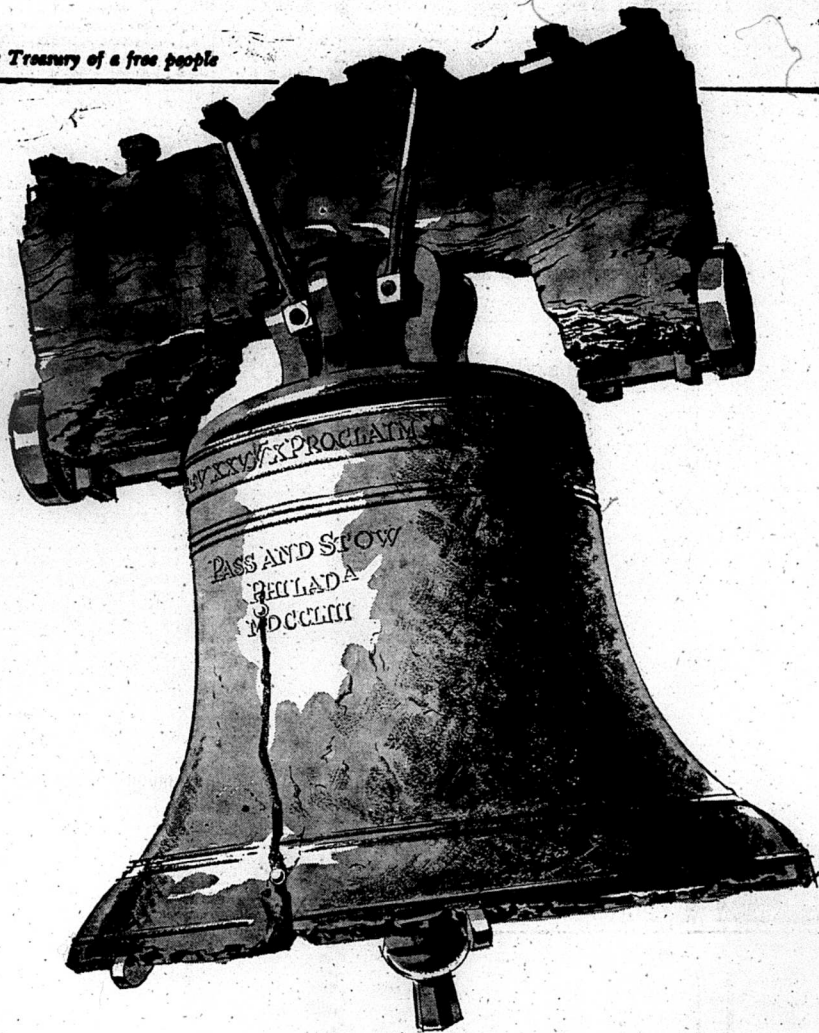

Keep freedom in your future with

U.S. SAVINGS BONDS

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
U.S. SAVINGS BONDS

Missionary Group In Prayer Week

The Pahokee Baptist Woman's
Missionary Union observed a week
of prayer for Home Missions
March 1-7 with special programs
at the church under the direction
of Mrs. Ralph Crews, W. M. U.
Prayer chairman. The theme was
"Our Land Shall Own Thee, Lord."
Bertis Fair of Belle Glade,
Home mission Board representa-
tive, spoke at the Wednesday
night meeting at the church, which
was held at the time of the regular
midweek prayer service. There
were four other special programs
presented by the church on Mon-
day, Tuesday, Thursday and Fri-
day mornings starting at 9:30.

Mrs. Loyd Brackin and Miss
Elinor Brackin were the guests of
Mrs. J. C. Harris and son, Joseph,
and Mrs. Franklin Harris of Lake
Park Saturday.

Diazinon controls most Florida vegetable insects.

Diazinon® insecticide is the only
product you need to control most
of the major insects of Florida
vegetable crops. Here's the kind of
"money-in-the-bank" program that
Diazinon can provide:

Diazinon simplifies your spray
program. It reduces the need to
use several different insecticides.
You spray less when you spray with
Diazinon. So you save time and
money.

You kill insects quickly with
Diazinon. And the "staying power"
of Diazinon provides outstanding
control of problem insects like
aphids, Southern armyworms and
leaf-miners for a long time.

You can use Diazinon through-
out the seasons. And close to har-
vest... without residue problems.

So take advantage of the bene-
fits of superior vegetable foliar in-
sect control with Diazinon. Order
dependable Diazinon 50W wet-
table powder, or Diazinon AG500
emulsifiable concentrate, from
your local supplier today.

Womans Club Will Help The Crippled

Members of the Pahokee Woman's Club at the regular luncheon meeting addressed letters that are being mailed locally in the annual fund-raising drive for the benefit of the Palm Beach County Crippled Children Society.

In its annual report the nominating committee recommended as officers for the 1965-66 club year: Mrs. E. C. Johnson, for president; Mrs. R. F. Hurt, first vice president; Mrs. Leon Spooner, second vice president; Mrs. Glenn Powell, corresponding secretary; Mrs. E. B. Gamble, recording secretary; Mrs. J. J. Crews, treasurer; Mrs. Robert J. Schroder, parliamentarian; and Mrs. Wiley Tillis, auditor. With the exception of Mrs. Crews, all are candidates for re-election.

Mrs. Johnson appointed Mrs. W. C. Darden chairman in charge of the purchase of a new 36-cup percolator for the clubhouse kitchen.

It was announced members of the Pahokee Club have been invited to be guests at the luncheon of the Belle Glade Woman's Club this Thursday, March 4. Tentative plans were discussed for a party in May, with husbands to be invited guests.

Men's Chorus Will Entertain Lions

The Men's Chorus of the Glades Correctional Institution will present a program of songs at the Lions Zone One social and ladies' night dinner to be held in the Community Building at the Glades Park, Canal Point, Tuesday, March 9, at 7:30 p. m. Members of the Okeechobee, Canal Point and Pahokee Lions Clubs will attend the social, with Canal Point to be the host club, and wives of Lions of all three clubs to be guests.

D. N. Francis, of Okeechobee, zone chairman, will preside, and J. G. Weeks of Canal Point is arranging the program. The social will take the place of regular weekly meetings of both the Pahokee and Canal Point Clubs.

Frank Mueller spent this past weekend as the guest of Mr. and Mrs. Maurice Fletcher and son, Michael, in Clewiston.

Sewing Class For Home Club Group

In place of the regular meeting of the Canal Point Home Demonstration Club this month, scheduled for Tuesday morning, March 9, members of the club will attend the sewing class that will be conducted by Mrs. Betty Wolfe, assistant County home demonstration agent, at Belle Glade from 10 a. m. to 12 noon, Tuesday. These sewing classes are being taught by Mrs. Wolfe at Belle Glade every Tuesday morning for six weeks, according to Mrs. Elmer Maxson, club president.

Law Clinic Will Be Held March 16

The Palm Beach Legislative Delegation has confirmed that it plans to hold an additional Legislative Clinic.

The clinic will be conducted in the West Palm Beach City Commission Meeting room and will be held at 1:30 p. m. on Tuesday, March 16th.

The Delegation emphasized that the meeting will be for the purpose of hearing from citizens who desire to speak on local municipal and county measures that have been presented at previous clinics.

Further, any citizen or group can present requests for State legislation which is not local in nature.

It was emphasized by the Delegation that the clinic was being held for the foregoing purposes and not to receive additional local legislation.

The Delegation decided to hold this final clinic because of many requests received from professional groups who wish to recommend State legislation and from local citizens who desire to voice objections or endorse some of the legislative requests made at previous clinics.

HOME MISSION PROGRAM

A home missions program was presented by members of the Intermediate Girls Auxiliary of the Canal Point Baptist Church at the meeting at the home of Mrs. Ray Ursty, counselor, Monday afternoon. At the close of the meeting the group went to the fellowship hall of the church, where refreshments were served by members of the Woman's Missionary Union.

Gloria Smith To Wed R. W. Hudspeth

Mr. and Mrs. Sydney Kittrell Smith, Jr., of 125½ North West Avenue E, Belle Glade, announce the engagement of their daughter, Gloria Miriam Smith, to Ronald Wade Hudspeth, son of Mr. and Mrs. George Leslie Hudspeth, of 232 Royal Palm Way, Belle Glade.

The bride-elect is the granddaughter of Mr. and Mrs. John Allen Dulany and Mr. and Mrs. Sydney Kittrell Smith, Sr., of Belle Glade, and the great-granddaughter of Mrs. Calvin A. Shive, pioneer resident of Pahokee.

Miss Smith graduated from the Belle Glade High School in 1962 and is now a Senior at Florida State University where she will graduate in August with a B. S. degree in Elementary Education. She is a member of the Kappa Delta Pi Education Honorary Sorority and of Delta Gamma Social Sorority.

Mr. Hudspeth graduated from Belle Glade High School in 1960 and from Florida State University in June of 1964, where he received a B. S. degree in Business Administration. He is presently employed with the Sugar Cane Growers Cooperative of Florida in the office.

The couple are planning a spring wedding.

14 Private Rooms Need Furnishings

At the meeting of the Everglades Memorial Hospital Auxiliary in the fellowship hall of the Pahokee First Baptist Church last week the ways and means committee recommended that the Auxiliary receive donations rather than sponsor projects as a means of raising funds at the present time.

Mrs. Bonnie Miller, sewing chairman, reported that members have made gowns and have done considerable other sewing work for the hospital during the past month.

It was reported that some members have not yet picked up their pinafore uniforms at the home of Mrs. J. C. Simonds, Jr., 1750 East Main St., and unless the pinafores are picked up by March 10, they will have to be returned to the company that sent them to the Auxiliary.

Mrs. Barbara Rosenberg, in charge of scheduling the work of members at the hospital during the afternoon and evening visiting hours, announced that anyone not able to fill her work schedule from now on must find a substitute to take her place. Pink ladies serving as receptionists during visiting hours are asked to report for duty 20 minutes before the start of the visiting hours.

Mrs. Margaret Fanjul, in charge of the index file of Auxiliary work, asked members to bring a written report of individual work done to each monthly meeting for filing.

It was decided to appoint a special committee which is to contact various civic, fraternal and religious organizations in the Pahokee-Canal Point area to see if any of the organizations are willing to furnish a private room in the new hospital building, there being 14 such rooms in need of special furnishing.

Mrs. Helen Jean Boynton, vice president, presided in the absence of President Grace Maxson.

Lingerie Shower For Kathy Wilson

Miss Kathy Wilson, bride elect of Wayne Browning, was honored with a lingerie shower at the home of Mrs. Lewis Buckner on Friday, February 26, from 8 to 10 p. m. The bride and her mother, Mrs. James Wilson, were presented with yellow-mum corsages and greeted guests with the hostess. Other hostesses with Mrs. Buckner were Mrs. Penny Clark, Mrs. Sheila Ames, Mrs. Becky Vickers, Mrs. Paula Berry, Mrs. Peggy Hatten and Mrs. Brenda Tyson.

Adult Education Class Is Planned

Adult Education Art Classes will present their Countywide Art Show in West Palm Beach this Saturday.

The second annual exhibit will open at 9 a. m. at the Palm Coast Shopping Plaza. Paul L. Phillips, director of adult education for Palm Beach County Schools, estimates entries at close to 500 pieces.

Students enrolled in two oil painting classes at Belle Glade High School will participate. Last year the Belle Glade students provided more entries than any other single class.

Music for the show will be played by the 35-piece Adult Education Band. Melvin L. Wagner will direct a 2 p. m. concert in the north end of the plaza on U. S.

Highway 1.

Exhibitors, people from all walks of life who paint as a hobby, are selected from the 260 students enrolled in classes throughout the county. Oil and watercolor paintings, both framed and unframed, will be displayed. Some items will be for sale.

A special section will display art work done by patients of the County Hospital Rehabilitation Program, coordinated by Miss Etta Harkness.

Mrs. Gertrude Gordon is show chairman.

RETURN TO GEORGIA

Mr. and Mrs. J. M. Hooks of Brunswick, Ga., Mr. and Mrs. T. E. Hooks and Mrs. Kenneth Hooks of Swainsboro, Ga., and Earl and Carl Hooks of Dublin, Ga., have returned to their homes after attending the recent funeral services for their brother, Audie F. Hooks, in Clewiston.

Why should you buy
U. S. Savings Bonds when there are
so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond, or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

Keep freedom in your future with
U. S. SAVINGS BONDS
